

Covid 19

## Inflatable procedures

Bullet points

### General

1. Face coverings to be worn pre & post session.
2. There will be limited spectating available.
- 3. This session is for competent swimmers only.**
- 4. Staff have the right to refuse entry to weak/non swimmers.**
5. Must book in advance for the session. 0114 2883792.

### Arrival

1. Arrive 5 minutes before the session
2. Check in at reception
3. The changing rooms will be open.
4. No outdoor shoes in the changing room – remove footwear or use overshoes at the changing room entrance.

### During the session

1. Inflatable is 20m long.
2. Everyone climbs out at the deep end steps only.
3. Queue for the inflatable down the far side of the pool whilst remaining 2m apart.
4. 2 people mount the inflatable at a time as the inflatable is separated into 2 lanes.
5. When swimmers dismount from the inflatable, they must swim to the deep end before climbing out of the pool so as not to climb out where people are stood queuing. Climbing out at the deep end will ensure swimmers join the back of the queue without having to walk closely by people in the queue.
6. Anyone attending the session without using the inflatable (parents etc), should ensure that they remain socially distant at all times from others who are not in their bubble.

### After the session

1. Use the cubicles in the changing rooms to dress
2. Face coverings should be worn when leaving the building.
3. Leave the building via the main reception
